

KCOM Wholesale End of Life Notice

Date Issued: 12 April 2022

End of Life Date: 11 July 2022

Service	Description
Closure of IPLine Internet Access	<p>End user internet connections are achieved by a Point-to-Point Protocol (PPP) session established over the KCOM Broadband Network between the end user and the KCOM Broadband Remote Access Server (BRAS).</p> <p>IP allocation to the end user device is carried out by the KCOM BRAS from an allocation owned by the Communications Provider on a basis agreed between KCOM and the customer.</p>

Reasons for End of Life:

The IPLine Internet Access service is being withdrawn due to a lack of customer demand.

Alternative solutions:

Connect Broadband or Wholesale FibreLine Local Access

All enquiries should be addressed to wholesalepartners@kcom.com
